Dear Sir:

I am greatly interested in collecting the published volumes of the Yale Lectures on Preaching. Unfortunately my tools are limited to a listing of the lectures and lecturers through Leslie D. Weatherhead's 1948-49 lecture.

I would appreciate your help in sighting a source or providing a list at whatever cost necessary of each of the lectures from that time to date. If possible, I would also be interested in the name of a used book concern that could aid in my search for some of the older volumes.

Any attention and time that you give to this request will be gratefully received.

Sincerely yours,

John Allen Chalk
